“When my son was about to get released from prison, I did not know where to turn. I was introduced to this fair and when I walked in, I was filled with joy and knew right away that my son was going to be okay”

- Concerned Parent

For the past six years, the CIRF has been instrumental in bringing together community providers, agencies, and organizations who provide services to those in transition into our community. We believe that partnerships are key to successful community transition. We are blessed to live in a community where everyone is willing to help. This event is here to serve our greater community and promote partnership and support.
