Dear Community Member,

We would like to invite you to attend the 7th annual Community Information and Resource Fair (CIRF)! The CIRF is designed to bring agencies and organizations who work with individuals with a criminal history together to help in a successful transition back into our community as well as serve as a resource hub for those in transition.

Purpose of CIRF

- Offer a networking forum for community organizations to promote and learn about transition, re-entry, and support services for offenders returning to the community and those in the community who stand in need of assistance.
- Provide case managers, ex-offenders, families, parole/probation officers, volunteers, mentors, and workforce and employment consultants an opportunity to identify and understand available community resources.
- Identify offender-friendly resources to enhance existing resource manuals.
- Educate the public of the critical need to develop sustainable partnerships to ensure safe communities in Idaho.
