IDAHO STATE VETERANS HOME APPLICATION FOR ADMISSION

Thank you for considering our Idaho State Veterans Homes (ISVH) as the 24-hour skilled nursing facility to care for your loved one. Idaho has three facilities; located in Boise, Pocatello, and Lewiston. The Boise Home also provides residential care (assisted living) and domiciliary care (short-term assisted living).

Applicants for nursing care must be a veteran (wartime or peacetime) or the spouse, widow or widower of a veteran eligible for admission to a Home. Applicants must be a veteran for residential care and domiciliary care. Specific requirements are:

- Proof of honorable service in the United States Military, (DD214 or Military Discharge) showing a minimum of 90 days active-duty service, separated, or discharged from military service earlier than ninety (90) days under honorable conditions because of service-connected disability.
- Spouses, widows, or widowers eligible for nursing care, must provide a copy of the veteran's honorable military service (DD214 or Military Discharge) on whose service they are qualified, and a proof of marriage (license or certificate) and/or a death certificate, when applicable.
- Applicants must be a resident of the State of Idaho at the time of admission to a Home.
- All veteran residents must also either be in receipt of or apply for a VA pension. Application can be made through the Office of Veterans Advocacy; a State Service Officer is located at each Veterans Home and can assist veteran residents with this process.

The admissions committee will review each application carefully to ensure the Veterans Home is able to provide the appropriate level of care and services needed for the applicant. A Home shall not accept applicants or continue to extend care to residents for whom the facility does not have the capability or services to provide an appropriate level of care.

All residents are responsible for the cost of their care; charges are due the first of each month and must be paid in full by the resident or guardian on or before the 10th day of the month.

Payment sources for nursing care can be from income and liquid assets (including social security and pensions), private insurance, Medicaid insurance, or Medicare insurance. If eligible for Medicare, the applicant must elect to participate, unless participation is waived by the Home Administrator. Participation in a Medicare Part D prescription drug coverage plan is also encouraged as this coverage helps to reduce costs for those who are paying privately for their care. The Home can provide a list of participating plans. Care charges are as follows:

- **VETERAN NURSING CARE - Effective July 1, 2022, the daily rate for nursing care is \$219.00 per day (includes medical supplies) plus other ancillary, special items, and service charges.**
- **ELIGIBLE NON-VETERAN NURSING CARE - Effective July 1, 2022, the current daily rate for all non-Veteran spouses is \$219 per day (includes medical supplies) plus other ancillary, special items, service charges, and current VA per diem rate.**

Residential care and domiciliary care costs are determined by assets and income. The Home's domiciliary and residential care beds are not Medicaid certified.

- **RESIDENTIAL CARE & DOMICILIARY CARE (Boise Home Only) - Residential care and domiciliary care charges will increase in accordance with adjustments made to VA pensions.**

Effective January 1, 2022, the monthly rate for residential care is \$1,538.00

If Veteran has less than \$1,500.00 in liquid assets, the charge could be as little as 75% of income.

Effective January 1, 2022, the monthly rate for domiciliary care is \$1,231.00

If Veteran has less than \$1,500.00 in liquid assets, the charge could be as little as 60% of income.

NOTE: All rate information listed on this form is subject to change without notice.

Assistance with completing admissions documents and Medicaid applications is available from the Homes. Some veterans are also eligible for assistance from the Veterans Administration – Aide and Attendance/disability claims/non-service connected pensions. A State Service Officer is assigned to each Veterans Home and will review eligibility for VA benefits and assist with required applications.

Our Admissions Coordinator looks forward to hearing from you. Thank you, again, for your interest in our State Veterans Home.
