Thank you for considering our Idaho State Veterans Homes (ISVH) as the 24-hour skilled nursing facility to care for your loved one. Idaho has four facilities; located in Boise, Lewiston, Pocatello, and Post Falls.

Applicants for nursing care must be a veteran (wartime or peacetime) or the spouse, widow, or widower of a veteran eligible for admission to a Home. Specific requirements are:

- Proof of honorable service in the United States Military, (DD214 or Military Discharge) showing a minimum of 90 days active-duty service, separated, or discharged from military service earlier than ninety (90) days under honorable conditions because of service-connected disability.
- Spouses, widows, or widowers eligible for nursing care, must provide a copy of the veteran's honorable military service (DD214 or Military Discharge) on whose service they are qualified, and a proof of marriage (license or certificate) and/or a death certificate, when applicable.
- Applicants must be a resident of the State of Idaho at the time of admission to a Home.
- All veteran residents must also either be in receipt of or apply for a VA pension. Application can be made through the Office of Veterans Advocacy; a State Service Officer is located at each Veterans Home and can assist veteran residents with this process.

The admissions committee will review each application carefully to ensure the Veterans Home is able to provide the appropriate level of care and services needed for the applicant. A Home shall not accept applicants or continue to extend care to residents for whom the facility does not have the capability or services to provide an appropriate level of care.

# All residents are responsible for the cost of their care; charges are due the first of each month and must be paid in full by the resident or guardian on or before the 10th day of the month.

# Veterans with a service-connected disability rating of 70% or higher are eligible to have the cost of nursing care covered by the VA. Other service-connected disability ratings may be covered in rare circumstances, your admissions representative can discuss further.

Payment sources for nursing care can be from income and liquid assets (including social security and pensions), private insurance, Medicaid insurance, or Medicare insurance. If eligible for Medicare, the applicant must elect to participate, unless participation is waived by the Home Administrator. Participation in a Medicare Part D prescription drug coverage plan is also encouraged as this coverage helps to reduce costs for those who are paying privately for their care. The Home can provide a list of participating plans. Care charges are as follows:

Assistance with completing admissions documents and Medicaid applications is available from the Homes. Some veterans are also eligible for assistance from the Veterans Benefits Administration – service-connected disability claims/ aid and attendance benefits/ non-service-connected pensions. A State Service Officer is assigned to each Veterans Home and will review eligibility for VA benefits and assist with required applications.

Our Admissions Staff look forward to hearing from you. Thank you for your interest in Idaho State Veterans Homes.
