

**STATE OF IDAHO**  
**Idaho Division of Veterans Services**  
**RFQ - Amended**  
**Fire Damper and Fire Door Inspection and Repair Services**

**1. Purpose**

The Idaho Division of Veterans Services (IDVS) is requesting quotes for fire damper and fire door inspection and repair services for the Idaho State Veterans Homes (ISVH), as further detailed in this Request for Quote (RFQ). Please read solicitation in its entirety.

The Primary contact for this RFQ is:

Danny Arnold, Purchasing Agent, IDVS

Phone: 208-780-1326

Email: [danny.arnold@veterans.idaho.gov](mailto:danny.arnold@veterans.idaho.gov)

The Secondary contact for this RFQ is:

Sonya LaCasse, Financial Specialist Principal

Phone: 208-780-1312

Email: [sonya.lacasse@veterans.idaho.gov](mailto:sonya.lacasse@veterans.idaho.gov)

**2. Timelines**

Site visit shall be scheduled with the facility maintenance supervisors in section 4 of this solicitation and shall be completed prior to the closing date of this solicitation. Site visits and bid submissions will not be conducted or accepted after the closing date of this solicitation.

Quotes Due (by 5:00:00 p.m. Mountain time):

~~November 8, 2024~~ **November 25, 2024**

**3. Scope of Work**

See **Exhibit A – Scope of Work**.

**4. Location and Scheduling**

The Contractor shall provide fire damper and fire door inspection and repair services meeting the requirements found within **Exhibit A – Scope of Work**, to the facilities listed in this section, and must coordinate and schedule services with the facility contacts listed in this section. The purpose of the awarded contract will be a time and materials contract.

**4.1 Idaho State Veterans Home - Boise**

Facility contact: Brent Munster, Maintenance Craftsman, Senior

Facility contact phone: (208) 780-1750

Facility contact e-mail: [brent.munster@veterans.idaho.gov](mailto:brent.munster@veterans.idaho.gov)

- 4.2 Idaho State Veterans Home - Lewiston  
 Facility contact: Frank Northam  
 Facility contact phone: (208) 750-3680  
 Facility contact e-mail: [frank.northam@veterans.idaho.gov](mailto:frank.northam@veterans.idaho.gov)
  
- 4.3 Idaho State Veterans Home – Pocatello  
 Facility contact: Rickey Frandsen  
 Facility contact phone: (208) 235-7881  
 Facility contact e-mail: [rickey.frandsen@veterans.idaho.gov](mailto:rickey.frandsen@veterans.idaho.gov)
  
- 4.4 Idaho State Veterans Home – Post Falls  
 Facility contact: Scott Clark  
 Facility contact phone: (208) 415-3452  
 Facility contact e-mail: [scott.clark@veterans.idaho.gov](mailto:scott.clark@veterans.idaho.gov)

**5. Service Additions, Deletions and Changes**

IDVS has identified the fire damper and fire door inspection and repair services that IDVS anticipates will need within **Exhibit A – Scope of Work**. Required services are subject to change during the term of the Contract, and IDVS reserves the right to seek additional services, delete services and modify service requirements. At any time during the initial one (1) year term of the Contract, IDVS may add services, delete services and modify service requirements upon thirty (30) calendar days’ notice to the Contractor. Thereafter, IDVS may add services, delete services and modify service requirements upon thirty (30) calendar days’ notice to the Contractor no more frequently than semi-annually. These changes will occur via amendment to the Contract, if mutually agreed upon in writing by both parties.

Additionally, IDVS’s needs may already be met or partially met for the initial term of the Contract, and IDVS makes no guarantees as to purchasing the quantities it has estimated for the entire term of the Contract.

**6. Invoicing and Payment**

The Contractor may submit invoices no more frequently than monthly in arrears to:

- 6.1 Idaho State Veterans Home - Boise  
 Facility contact: Katie Kamenov  
 Facility contact e-mail: [boiseaccountspayable@veterans.idaho.gov](mailto:boiseaccountspayable@veterans.idaho.gov)
  
- 6.2 Idaho State Veterans Home - Lewiston  
 Facility contact: Elizebeth Belz  
 Facility contact e-mail: [lewistonaccountspayable@veterans.idaho.gov](mailto:lewistonaccountspayable@veterans.idaho.gov)
  
- 6.3 Idaho State Veterans Home – Pocatello  
 Facility contact: Elizebeth Toler  
 Facility contact e-mail: [pocatelloaccountspayable@veterans.idaho.gov](mailto:pocatelloaccountspayable@veterans.idaho.gov)
  
- 6.4 Idaho State Veterans Home – Post Falls  
 Facility contact: Samantha Farris  
 Facility contact e-mail: [postfallsaccountspayable@veterans.idaho.gov](mailto:postfallsaccountspayable@veterans.idaho.gov)

Invoices must be submitted no later than thirty (30) calendar days after service has been provided, and invoices must reflect the following:

1. The Contract number.
2. The date services were performed.
3. A description of the services performed, including quantities.

4. The dollar amount of each service performed and a total for the invoice.

Payment terms are Net 30 from the time invoices are officially received by each facility.

**7. Technician Qualifications and Experience**

Technicians that provide services under the Contract(s) must at a minimum have been trained in inspection, testing and repair of the equipment being inspected and tested and must have a minimum of one (1) year of experience performing those services.

**8. Existing Contracts**

As of the time of the issuance of this RFQ, IDVS has a contract in place for fire protection system and equipment services however does not include fire damper and fire doors.

**9. Customer Service**

No later than five (5) business days after award of Contract, the Contractor must identify a primary contact who will address customer service matters and be the primary contact for the Contractor on Contract-related matters. The Contractor must identify the individual's name, title, phone number and email address.

When the primary contact is unavailable, the Contractor must provide an alternate contact, and provide the individual's name, title, phone number and email address to the IDVS.

Calls and emails to the primary contact must be return within one (1) business day. This same requirement applies when an alternate contact is filling in for the primary contact.

**10. Scheduling Service**

The Contractor and the IDVS must agree to a written schedule for performing services, and the Contractor must abide by the schedule for the term of the Contract, or until the Contractor and the IDVS agree in writing to alter the schedule, and then must abide by the altered schedule.

**11. W-9**

Contractor shall submit a completed W-9, signed within the last three (3) months with quote, unless Contractor has already been set up as a vendor in Idaho's E-Procurement system (LUMA).

**12. References**

IDVS reserves the right to require a list of references. If IDVS identifies to the vendor that this is required, in order to be considered for award (in part), the vendor must provide a list of at least three (3) but no more than five (5) references for which the vendor has provided fire damper and fire door inspection and repair services within the last two (2) years on a similar scale (or larger scale) to that required in this RFQ. The list must include the client's business name, the name of a contact that currently works for the client that is familiar with vendor's work, and that client's current business phone number and email address.

**13. Public Works License**

Contractor must have and provide to IDVS at the time of submitting bids their Idaho Public Works License. Failure to provide Public Works License may result in bid being disqualified.

**14. Affidavit of Drugs and Alcohol**

Contractor must sign and provide to IDVS at the time of bid submittal affidavits concerning drugs and alcohol. Failure to provide these affidavits may result in bid being disqualified.

**15. Affidavit of Taxes**

Contractor must sign and provide to IDVS at the time of bid submittal affidavits concerning taxes. Failure to provide these affidavits may result in bid being disqualified.

**16. Award**

16.1.1 Award will be made using one of the following method:

16.1.2 Award of contract shall be made by region (or "area") as identified in Exhibit G to the responsive responsible Vendor with the lowest **Total Cost**, as provided on **Exhibit B - Price Sheet**.

16.1.3 The award of the resulting contract will be governed by the State of Idaho Standard Terms and Conditions. These terms and conditions can be found at the following website address: [Welcome to State Division of Purchasing \(idaho.gov\)](http://www.idaho.gov) (Governing Laws and Policies).

**17. Response**

Complete **Exhibit B – Price Sheet**, and e-mail, mail, or hand-deliver/courier your quote (Quotation as defined in the Solicitation Instructions to Vendors).

Quotes must be accompanied by a signed Signature Page.

Quotes must include all **Required Submittal Items** (See below).

List of Attachments	Mandatory (M) Required Submittal Items

**18. Insurance Requirements**

Prior to award (or as otherwise designated by the Purchasing Activity), the apparent successful vendor will provide certificates of insurance required herein and will maintain the insurance during the life of the Contract. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within the requisite time period may be cause for rejection of the vendor's quote or cancellation of the contract.

Contractor shall carry liability and property damage insurance that will protect it and the State of Idaho from claims for damages for bodily injury, including accidental death, as well as for claims for property damages, which may arise from operations under the Contract whether such operations are by themselves or by anyone directly or indirectly employed by either of them.

Contractor shall not commence work under the Contract until it obtains all insurance required under this provision and furnishes a certificate or other form showing proof of current coverage to the State. All insurance policies and certificates must be signed copies. After work commences, the Contractor will keep in force all required insurance until the contract is terminated.

- a. Commercial General and Umbrella Liability Insurance. Contractor shall maintain Commercial General Liability (CGL) and, if necessary, Commercial Umbrella insurance with a limit of not less than \$1,000,000 each occurrence. If such CGL insurance contains a general aggregate limit, it shall apply separately to this Contract.
  - i. CGL insurance shall be written on ISO occurrence form CG 00 01 (or a substitute form providing equivalent coverage) and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

- b. Commercial Automobile and Commercial Umbrella Liability Insurance. Contractor shall maintain Commercial Automobile Liability and, if necessary, Commercial Umbrella Liability insurance with a limit of not less than \$1,000,000 each accident. Such insurance shall cover liability arising out of any auto (including owned, hired, and non-owned autos).
  - i. Bidder or offeror may request a waiver from providing Commercial Automobile and Commercial Umbrella Liability Insurance in its bid or proposal if the bidder or offeror will not use any owned, hired or non-owned vehicles to conduct business under the contract, if it is awarded the contract, and the State of Idaho will consider the request. If the bidder or offeror submits a request to waive the provision of Commercial Automobile and Commercial Umbrella Liability Insurance after the due date and time for receipt of bids or proposals, the State of Idaho may not consider the request.
- c. Workers Compensation Insurance and Employer's Liability. The Contractor shall maintain workers compensation and employer's liability. The employer's liability shall have limits not less than \$1,000,000 each accident for bodily insurance by accident or \$1,000,000 each employee for bodily injury by disease.
  - i. Contractor must provide either a certificate of workers compensation insurance issued by a surety licensed to write workers compensation insurance in the State of Idaho, as evidence that the contractor has in effect a current Idaho workers compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.
  - ii. Contractor must provide either a certificate of workers compensation insurance issued by a surety licensed to write workers compensation insurance in the State of Idaho, as evidence that the contractor has in effect a current Idaho workers compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.
- d. State of Idaho as Additional Insured: The liability insurance coverage required for performance of the Contract shall include the State of Idaho, the (agency) and its divisions, officers and employees as additional insured, but only with respect to the Contractor's activities to be performed under this Contract.
  - i. The Contractor must provide proof of the State of Idaho, the (agency) and its divisions, officers and employees being additional insured by providing endorsements to the liability insurance policies showing the State of Idaho, the (agency) and its divisions, officers and employees as additional insured. The endorsements must also show the policy numbers and the policy effective dates.
  - ii. If a liability insurance policy provides for automatically endorsing additional insured when required by contract, then, in that case, the Contractor must provide proof of the State of Idaho, the (agency) and its divisions, officers and employees being additional insured by providing copies of the policy pages that clearly identify the blanket endorsement.
- e. Notice of Cancellation or Change: Contractor shall ensure that should any of the above described policies be cancelled before the expiration date thereof, or if there is a material change, potential exhaustion of aggregate limits or intent not to renew insurance coverage(s), that written notice will be delivered to the Division of Purchasing (if the Contract was issued by the Division) or to the Purchasing Activity (contracting state agency) in accordance with the policy provisions.
- f. Contractor shall further ensure that all policies of insurance are endorsed to read that any failure to comply with the reporting provisions of this insurance, except for the potential exhaustion of aggregate limits, shall not affect the coverage(s) provided to the State of Idaho, and its divisions, officers and employees.
- g. Acceptable Insurers and Deductibles: Insurance coverage required under the Contract shall be obtained from insurers rated A-VII or better in the latest Bests Rating Guide and in good standing and authorized to transact business in Idaho. The Contractor shall be financially responsible for all deductibles, self-insured retention's and/or self-insurance included hereunder. The coverage provided by such policy will be primary to any coverage of the State on or related to the

contract and shall provide that the insurance afforded applies separately to each insured against whom a claim is made, except with respect to the limitation of liability.

Waiver of Subrogation: All policies shall contain waivers of subrogation. The Contractor waives all rights against the State and its officers, employees, and agents for recovery of damages to the extent these damages are covered by the required policies. Policies may contain deductibles, but such deductibles will not be deducted from any damages due to the State.

**Exhibit A – Scope of Work  
RFQ  
Fire Damper and Fire Door Inspection and Repair Services**

Below is the Scope of Work for this RFQ (under the heading “Scope of Work”). The services you quote must meet all of the requirements of the Scope of Work for each facility you are quoting.

**1. Scope of Work for ISVH – Boise, ISVH – Lewiston, ISVH - Pocatello**

The Contractor must provide all labor, tools, equipment, parts, materials, transportation and supervision necessary to perform the following:

1.1 Inspect and test the fire dampers in facility in accordance with National Fire Protection Agency (NFPA) 105 2010 and NFPA 80 2010.

- 1.1.1 Locate and operate each damper in facility and identify to facility maintenance supervisor or designee each damper that is inoperable;
- 1.1.2 Coordinate with facility maintenance supervisor or designee and local fire department to place facility's fire alarm system in "test mode" when necessary to conduct inspection and/or repair of smoke and combination dampers;
- 1.1.3 Remove and reset fusible links on fire dampers to ensure fire dampers fully close and when necessary, replace any model A and model B lead fusible link that are compromised per NFPA code;
- 1.1.4 Clean each damper of any non-adhered to debris that would prevent such damper from normal operations;
- 1.1.5 Conduct manual operations of actuators on electric and pneumatic smoke and/or combination dampers to ensure proper operations of each damper;
- 1.1.6 Contractor will identify and will seek approval of the facility maintenance supervisor the need for any modifications required in order to access any damper for inspection and/or repair service;
- 1.1.7 Identify on facility's Life Safety Drawings the location of each damper and upon request of the facility place identification stickers on ceiling or other area to assist in locating each damper following inspection;
- 1.1.8 Contractor must provide to facility digital photographs (time stamped and dated) of before and after inspections;
- 1.1.9 Contractor must provide reports of inspections via written documentation available on PDF or Excel at any time or online and accessible to facility;
- 1.1.10 Reports must be clearly legible and shall be signed by inspection personnel in both signature and block lettering.

**2. Scope of Work for ISVH – Post Falls**

The Contractor must provide all labor, tools, equipment, parts, materials, transportation and supervision necessary to perform the following:

2.1 Inspect and test the fire dampers in facility in accordance with NFPA 105 2010 and NFPA 80 2010.

- 2.1.1 Locate and operate each damper in facility and identify to facility maintenance supervisor or designee each damper that is inoperable.
- 2.1.2 Coordinate with facility maintenance supervisor or designee and local fire department to place facility's fire alarm system in "test mode" when necessary to conduct inspection and/or repair of smoke and combination dampers.
- 2.1.3 Remove and reset fusible links on fire dampers to ensure fire dampers fully close and when necessary, replace any model A and model B lead fusible link that are compromised per NFPA code.
- 2.1.4 Clean each damper of any non-adhered to debris that would prevent such damper from normal operations.

- 2.1.5 Conduct manual operations of actuators on electric and pneumatic smoke and/or combination dampers to ensure proper operations of each damper.
- 2.1.6 Contractor will identify and will seek approval of the facility maintenance supervisor the need for any modifications required in order to access any damper for inspection and/or repair service.
- 2.1.7 Identify on facility's Life Safety Drawings the location of each damper and upon request of the facility place identification stickers on ceiling or other area to assist in locating each damper following inspection.
- 2.1.8 Contractor must provide to facility digital photographs (time stamped and dated) of before and after inspections.
- 2.1.9 Contractor must provide reports of inspections via written documentation available on PDF or Excel at any time or online and accessible to facility.
- 2.1.10 Reports must be clearly legible and shall be signed by inspection personnel in both signature and block lettering.
- 2.1.11 Contractor must inspect for damage to Won Door frames.
- 2.1.12 Contractor must inspect and verify that key switches and resets are properly functioning of the Won doors.
- 2.1.13 Contractor must inspect and verify that the hardware for the exiting devices functions correctly to the programmed back-off distance for each side of each door.
- 2.1.14 Contractor must inspect each door obstruction device is functioning correctly.
- 2.1.15 Contractor must inspect each smoke seal on the tops, bottoms and jambs to ensure there are no breaks.
  - 2.1.15.1 Contractor must ensure that jambs are properly attached and restrained.
- 2.1.16 Contractor must inspect all tracks of the Won doors and lubricate as needed.
- 2.1.17 Contractor must inspect all trolleys and panel rollers to ensure proper functionality.
- 2.1.18 Contractor must inspect the logic board(s) and ensure board are operating correctly.
- 2.1.19 Contractor must inspect and verify that the fire mode initiates from the control box and fully closes with a proper seal.
- 2.1.20 Contractor must ensure that no auxiliary hardware interferes with the operations of the doors.

2.2 Inspect, test and repair, if necessary, fire door in facility in accordance with NFPA 80 2010:

- 2.2.1 Locate and operate each fire door(s) in facility and identify to facility maintenance supervisor or designee each fire door(s) that is inoperable;
- 2.2.2 Contractor will identify to facility maintenance supervisor any needed or required repairs of fire door(s);
- 2.2.3 Contractor must provide to facility digital photographs (time stamped and dated) of before and after inspections;
- 2.2.4 Contractor must provide reports of inspections via written documentation available on PDF or Excel at any time or online and accessible to facility;
- 2.2.5 Reports must be clearly legible and shall be signed by inspection personnel in both signature and block lettering.

2.3 Infection Control Procedures.

- 2.3.1 Contractor shall adhere to the facility's infection control procedures provided to the contractor by the facility.

**Exhibit B – Price Sheet**  
**Fire Damper and Fire Door Inspection and Repair Services**

This **Exhibit B - Price Sheet** must be submitted as part of your quote.

Please select which area you are bidding on and provide your prices below for the services required in this RFQ meeting the requirements of **Exhibit A – Scope of Work** and all other requirements in this RFQ. Your hourly rate must be fully burdened to include all non-material costs associated with providing the services.

**Area A**

**ISVH – Lewiston**

**Line Item 1:** See section 1.1 in **Exhibit A – Scope of Work**. Cost per service of fire damper system:

\$ \_\_\_\_\_ Per hour.

**Material Markup:** No more than ten (10%) percent markup allowed: \_\_\_\_\_  
IDVS reserves the right to request itemized billing for parts over five hundred (\$500) dollars.

**ISVH – Post Falls**

**Line Item 1:** See sections 1 in **Exhibit A – Scope of Work**. Cost per service of fire damper system:

\$ \_\_\_\_\_ Per hour.

**ISVH – Post Falls**

**Line Item 1:** See section 2.2 in **Exhibit A – Scope of Work**. Cost per service of fire door(s):

\$ \_\_\_\_\_ Per hour

**Material Markup:** No more than ten (10%) percent markup allowed: \_\_\_\_\_  
IDVS reserves the right to request itemized billing for parts over five hundred (\$500) dollars.

**Area B**

**ISVH – Boise**

**Line Item 1:** See section 1.1 in **Exhibit A – Scope of Work**. Cost per service of fire damper system:

\$ \_\_\_\_\_ Per hour.

**Material Markup:** No more than ten (10%) percent markup allowed: \_\_\_\_\_  
IDVS reserves the right to request itemized billing for parts over five hundred (\$500) dollars.

Do not submit pricing on any form or in any document other than this **Exhibit B - Price Sheet**. Providing your pricing on any form or in any document other than this **Exhibit B - Price Sheet** may be cause for your quote to not be considered for award.

The Contractor shall not assess any other fees or charges other than those listed as the on this **Exhibit B - Price Sheet**.

Company Name (Vendor Name): \_\_\_\_\_

Contact Name/Phone: \_\_\_\_\_

Contact Email: \_\_\_\_\_

**Exhibit C – Special Terms and Conditions**  
**Amended**  
**Fire Damper and Fire Door Inspection and Repair Services**

**C.1 Contract Term**

The initial term of the Contract shall be one (1) year **with two (2) optional one (1) year renewals**. Upon mutual, written agreement, the Contract may be renewed, extended or amended. Renewal and extension terms, if exercised, may be for one (1) year periods, or for longer or shorter periods, in the sole discretion of IDVS. The anticipated total Contract term is ~~five (5) years~~ **three (3) years**.

**C.2 Notices**

See section 29, Notices, in the State of Idaho Standard Contract Terms and Conditions. Section 29.A is changed to read:

“A. For notice to the State, the address and phone numbers are:

Idaho Division of Veterans Services  
C/O Danny Arnold  
351 N. Collins Rd.  
Boise, ID 83702  
Phone: 208-780-1326  
Or  
C/O Sonya LaCasse  
Phone: 208-780-1312

Additionally, for notice to the State, the email address to use is [danny.arnold@veterans.idaho.gov](mailto:danny.arnold@veterans.idaho.gov), courtesy copied to [sonya.lacasse@veterans.idaho.gov](mailto:sonya.lacasse@veterans.idaho.gov)"

**C.3 Insurance**

Within five (5) business days of award of the Contract (or such other time as designated by the Purchasing Activity), the Contractor must provide certificates of insurance required herein and must maintain the insurance for the entire term of the Contract, including any renewal and extension terms. There are no provisions for exceptions to this requirement. Failure to provide the certificates of insurance within the five (5) business day period may be cause for the Contract to be terminated.

C.3.1 The Contractor must provide either a certificate of workers compensation insurance issued by a surety licensed to write workers compensation insurance in the state of Idaho, as evidence that the Contractor has in effect a current Idaho workers compensation insurance policy, or an extraterritorial certificate approved by the Idaho Industrial Commission from a state that has a current reciprocity agreement with the Idaho Industrial Commission.

**C.3.2 Additional Facilities, Additions to Facilities, Deletion of Facilities and Deletions from Facilities**

With no more than thirty (30) calendar days' written notice (email at a minimum) to the Contractor upon each occurrence IDVS reserves the right to:

1. Add facilities the Contract.
2. Add to facilities and include those additions in the Contract.
3. Delete facilities from the Contract.
4. Delete from facilities and deduct those parts of facilities from the Contract.

#### **C.4 Adjustment of Prices**

All prices shall be firm against any increase for one (1) year from the effective date of the contract. A price adjustment will be considered after one (1) year of the initial contract date, and for each contract review period thereafter. If a price increase is requested, it must be the responsibility of the Contractor to notify IDVS thirty (30) calendar days in advance of the desired effective date and provide supporting documentation of industry wide increases justifying the request. IDVS will notify the Contractor whether the request is approved within ten (10) calendar days of receipt of the request. If IDVS allows a price adjustment in the contract only a **5% increase per contract review period will be allowed.**

#### **C.5 Ownership or Operation by China**

Pursuant to Idaho Code § 67-2359, the Contractor certifies that it is not currently owned or operated by the government of China and will not for the duration of the Contract be owned or operated by the government of China. The terms in this section defined in Idaho Code § 67-2359 shall have the meaning defined therein.

#### **C.6 Certification Concerning Boycott of Israel**

Pursuant to Idaho Code § 67-2346 (effective July 1, 2021), if payments under the Contract exceed one hundred thousand dollars (\$100,000.00) and the Contractor employs ten (10) or more persons, the Contractor certifies that it is not currently engaged in and will not for the duration of the Contract engage in, a boycott of goods or services from Israel or territories under its control. The terms in this section defined in Idaho Code § 67-2346 shall have the meaning defined therein.

#### **C.7 Disclosure of Abortion related matters**

By signing this contract, Contractor acknowledges the following: The State is subject to the No Public Funds for Abortions Act. Idaho Code title 18, chapter 87 (the "Act") and State employee who intentionally violate the provisions of the Act are subject to criminal prosecution. The State requests that the Contractor disclose, unless Contractor is within one of the exemptions provided in the Act, if it or an affiliate is or becomes, during the term of this Contract (If Contractor is awarded this Contract), an abortion provider and if it will use State facilities or public funds to provide, perform, participate in, promote or induce, assist, counsel in favor, refer or train a person for an abortion related activity. Please refer to the Act for definitions of the terms.

#### **C.8 Boycott of Certain Industries**

Pursuant to Idaho Code section 67-2347A, Contractor certifies that it is not currently engaged in, and will not for the duration of the Contract engage in, a boycott of any individual or company because the individual or company (1) engages in or supports the exploration, production, utilization, transportation, sale, or manufacture of fossil fuel-based energy, timber, minerals, hydroelectric power, nuclear energy, or agriculture; or (2) engages in or supports the manufacture, distribution, sale, or use of firearms, as defined in section 18-3302(2)(d), Idaho Code. The definitions in Idaho Code section 67-2347A shall apply to the terms in this provision.
