

## **IDVS Emergency Assistance Program & Grant Application**

### **Requirements for Grant Application:**

1. Applicant must be a resident of Idaho.
2. Applicant must be able to show veteran status or affiliation to the veteran.
3. For funds to be provided, the request must be current and NOT ongoing, meaning the request for support will not be repeated the next month, and the veteran is actively trying to better their situation. To ensure the nature of the request, you will be asked
  - a. Current income or employment status
  - b. Benefits
  - c. Assets
  - d. Any additional income or support

\*Additional resources/programs may be provided to the applicant, such as financial advising, educational support, or a benefits advocate to give opportunities for stability and support. \*

4. If payment support is being requested, for example, electric bill, rent or car repairs, statements or bills must be provided. The payment will be made directly to the Veteran.
5. To be approved, some of the factors taken into consideration are the efforts being made by the veteran, ensuring they are either receiving, have actively pursued or are pursuing VA benefits, dependents, and the nature of circumstances involved. Funds are requested from an array of state grants, local grants, and local charities. While decisions are not made lightly, those providing the support make the final decision or whether to support and how much can be provided. Please be as complete in your answers so the appropriate connections can be made.

### **Additional Documentation Required:**

- a. Separation papers (DD214 #4 or similar) showing character of discharge.
- b. Bills, statements, invoices or past due notices that justify the amount being requested. (rent will be confirmed with landlords)
- c. Proof of current Idaho residency.

All pages of the form must be signed to confirm that the information provided is completed to the best of your ability, and that you as the applicant grant the Veterans Outreach and Community Support team permission to share the information provided with partners to facilitate support.
